Musten & Crutchfield Rewards (the “Program”) is a promotional program that is offered as a benefit for Musten & Crutchfield Food Market’s retail customers, subject to the following terms and conditions (the “Program Rules”). The Program entitles members of the Program to earn points on qualifying purchases made at Musten & Crutchfield. Points accumulate until the member opts out of the program or the Program is terminated. Points will continue to accumulate and may be redeemed once points reach a certain number, see table.

Musten & Crutchfield may change these Program Rules from time to time with or without notice to you, including the number of points required to obtain any particular reward, by posting a revised version of the Program Rules on our website and/or a printed copy available in store. Any changes will be effective prospectively as of the date noted when the updated Program Rules are posted. Musten & Crutchfield reserves the right to approve, deny or revoke membership or the right to participate in the Program with respect to any person for any reason whatsoever, at our sole discretion. Musten & Crutchfield also reserves the right to cancel the Program at any time without notice.

- To participate in the Program, a customer must become a member. There is no fee to sign up for the Program and there is no purchase required in order to become a member. Eligible purchases are required to earn points.
- Musten & Crutchfield Rewards points have no cash value and are not exchangeable for cash. Points cannot be assigned, exchanged, purchased or given by gift. Points cannot be sold, bartered, rented or otherwise disposed of.
- Programs members must provide reward membership information at the time of purchase. Musten & Crutchfield will not add points with a receipt or any other proof of purchase.
- If the Rewards member returns an item that points have been assigned, the Rewards member must also provide the reward membership information in order to have the points deducted.
- The number of points awarded for each purchase as well as the total points collected will be printed on the bottom of the receipt.
- A member may cancel their membership at any time.
- Any Federal, State or other tax liabilities are the sole responsibility of the Program member.
- Points may be redeemed for an in-store voucher. The voucher must be present for reward redemption. If the voucher has been lost, the voucher cannot be reprinted, and points cannot be restored.
- Voucher may be redeemed on the following purchase and may not be redeemed at the time of award.
